## Important information about Peak Solutions

Peak Solutions Limited when implementing a fully managed portfolio via an Investment Platform may charge monitoring fees based on a percentage charge of your capital under management and reduce on scale. Many of these charges may be tax deductible. Your financial adviser will guide you on this question.

Managed investment schemes (like KiwiSaver and/or multi-asset class funds) pay a small part of their management fee to the financial advice provider. If Peak Solutions Ltd will receive a portion of this fee, the amount of this will be disclosed to you when we provide you with our recommendations.

## CONFLICTS OF INTEREST

**Peak Solutions Limited** has an agreement for services with Ignite (a service company that does not provide financial advice). Ignite has a preferred investment provider agreement with Fisher Funds Management Limited (**Fisher Funds**) relating to investments placed with Fisher Funds by Ignite member clients, and a dealership agreement with nib nz Limited (**nib**) relating to insurance cover provided by nib for Ignite member clients.

Under those agreements, Ignite receives a fee equal to a small percentage of the investments placed with Fisher Funds and premiums paid to nib. No portion of any such fee is paid to Peak Solutions Limited or its advisers, and we aren't under any obligation to place any particular level of business with either Fisher Funds or nib, but **Peak Solutions Limited** indirectly benefits from those fees through the Ignite member services they help fund.

We manage the resulting conflict of interest by ensuring our advisers only recommend Fisher Funds investment products or nib insurance products where the adviser is satisfied that those products provide the best outcome for our clients, when compared with any other product we are able to recommend, having regard to the nature and scope of the service agreed with the client.

From time to time, product providers may also reward us for the overall business we provide to them. They may give us tickets to sports events, hampers, or other incentives.

To ensure that our financial advisers prioritise the client's interests above their own and to manage the potential conflicts of interest as disclosed above, all **Peak Solutions Limited** advisers follow an advice process that ensures personalised recommendations are made on the basis of the client's goals and circumstances, as advised by the client. **Peak Solutions Limited** financial advisers complete regular training, including how to manage conflicts of interest. Each financial adviser has a regular compliance review of their advice process and our compliance programme is reviewed annually by our external compliance adviser.
